

Addendum NO. # 3
City of Stockbridge
Sanitation Services RFP#201508-02

We have received and are answering the following questions:

- 1) Question: Will the City pay for disposal or is this the sole responsibility of the vendor?

Answer: Page 9 Paragraph 2.2 of the RFP states "The successful bidder will have the option of utilizing the transfer station as a place of final disposal at the cost under the agreement without markup, or the successful bidder may utilize its own landfill". In either case the successful bidder is responsible for the cost of disposal. Bidders are encouraged to propose costs for both options.
