

RESOLUTION NO. R19-1028

A RESOLUTION TO AUTHORIZE COMPLETION OF TEST WELLS

WHEREAS, the City of Stockbridge ("City") is a municipal corporation duly organized and existing under the laws of the State of Georgia and is charged with being fiscally responsible concerning the use and expenditure of all public funds; and

WHEREAS, the City proposes to authorize the award of a contract for certain for the completion of two test wells;

WHEREAS, Ground-Water Services, Inc. is the recommended winning bidder;

THEREFORE, THE CITY COUNCIL OF THE CITY OF STOCKBRIDGE HEREBY RESOLVES:

SECTION 1. Approval of Bidder. The award of a contract for completion of two test wells to Ground-Water Services, Inc. in the amount not to exceed \$78,000.00 utilizing SPLOST funds as presented to the City Council on February 11, 2019 is hereby approved by the City Council.

SECTION 2. Public Record. This document shall be maintained as a public record by the City Clerk and shall be accessible to the public during all normal business hours of the City of Stockbridge.

SECTION 3. Authorization of Execution. The Mayor is hereby authorized to sign all documents, including the contract with such changes and modifications as recommended by the City Attorney, necessary to effectuate this Resolution.

SECTION 4. Attestation. The City Clerk is authorized to execute, attest to, and seal any documents which may be necessary to effectuate this Resolution, subject to approval as to form by the City Attorney.

SECTION 5. Effective Date. This resolution shall become effective immediately upon its adoption by the Mayor and City Council of the City of Stockbridge as provided in the City Charter.

Mr. Decius Aaron
Public Works Director
City of Stockbridge
4640 North Henry Blvd.
Stockbridge, GA 30281

Subject: Proposal For Completion of Well No. 106
and Well No. 105, Reeves Creek Walking Trail

Dear Mr. Aaron:

Per your request, this proposal covers the completion of Well No. 106 (first test hole) and the completion of Well No. 105 (second test hole). The 6-inch steel casing in the first test hole is adequate for the well; grouting is needed, then the full water quality testing and 24-hour pumping test will be conducted.

Due to the caving sand and drilling rig settling issues at the first test hole, 12-inch steel casing (already on site) may be needed for the outer casing for the second test hole. Hydrofracing, which was not needed at the first test hole may be needed for the second test hole. Eight-inch steel casing and 8-inch reaming may also be needed for the second test hole (Well No. 105), followed by the full water quality testing and the 24-hour pumping test. The need for the above items will be assessed as the project proceeds and will be justified prior to using.

The not-to-exceed cost for the above is \$78,000.00. **PAYMENTS ARE DUE WITHIN 30 DAYS OF THE RECEIPT OF THE INTERIM REPORTS AND INVOICES. YOUR ATTENTION TO THIS REQUIREMENT WILL BE GREATLY APPRECIATED.** If you are in agreement with the above services, costs and payment terms, please sign a copy of this acceptance letter and return a copy to me, or issue a purchase order.

Sincerely,
GROUND-WATER SERVICES, INC.

H. Dan Harman, Jr.
H. Dan Harman, Jr. P. G.
